IPD PRICING ANNOUNCEMENT/NOTICE

Effective May 1st, IPD will implement a new optimized dealer price list. IPD has reviewed market pricing on many parts in order to better position IPD pricing compared to the competition. Some highlights as follows:

- More competitive pricing on over 1,400 "price sensitive" Gasket Sets
- More competitive pricing on over 1,800 part numbers for Caterpillar applications
- No price increases on more recent and popular overhaul and cylinder kits that include IPDSteel pistons

As some prices will also be increasing, please be advised that an updated price sheet will be available for your review in the "Downloads" section of the IPDNet on April 8th. Please contact your Customer Service Representative if any questions.
