Coming Soon...IPD Cylinder Kits for C18

IPDStyle 1-2-3 and OE style gasket sets, and other components such as rod bearings, have been available for C18 applications for many years. More recently in 2015, IPD released the unique IPDSteel Cylinder Liners for C18. For 2016, IPD is planning to soon launch IPD cylinder kits for C18 (more details to be provided when available).

New IPD Parts Announcements

IPD in announcing several new part numbers this month, featuring as follows:

- IPDStyle 1-2-3 Gasket Sets for C15
- IPDStyle Cylinder Kit for C32 marine applications
- IPDStyle 1-2-3 Gasket Sets for G3408

Earthmoving Equipment Market News

Global Earthmoving Machinery Market... (IDA Universal Magazine, Jan-Feb 2010 issue. Pg. 43)

This article reports that, "The global earthmoving equipment market is expected to record a forecast-period CAGR [compound annual growth rate] of 5.59% due to construction industry growth, infrastructure and residential development in emerging economies, and the easing of the financial crisis in Europe."
