global manufacturing

**IPD IS A GLOBAL MANUFACTURING AND
DISTRIBUTION COMPANY PROVIDING QUALITY COMPONENTS
FOR HEAVY-DUTY EQUIPMENT**

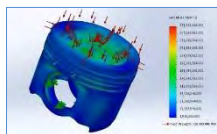

IPD IS ISO9001:2008
CERTIFIED BY
LLOYD'S REGISTER

Since 1955, IPD has helped equipment owners save money without risk to reliability. IPD continues to build on over 55 years of manufacturing experience with high quality products, engineering and manufacturing innovation, and superior service and support.

IPD QUALITY

- IPDSteel™ pistons engineered and manufactured at IPD headquarters in the USA
- IPD aluminum pistons **ultra-sonic tested to assure proper ring insert bond**, critical for high ring location pistons
- **Induction-Hardened Cylinder Liners** offer longer engine life
- IPD Gaskets manufactured from the **highest quality heavy-duty materials** (most gaskets produced at IPD headquarters in the USA)
- IPD has a worldwide reputation for quality valvetrain, engine bearings, and remanufactured parts such as turbochargers and fuel injectors.
- IPD has the equipment & expertise (rare in the aftermarket) to ensure products **meet the highest level specifications**

IPD SERVICE

- IPD's seven global distribution centers are staffed with some of the **most knowledgeable and experienced Customer Service Representatives** in our industry
- The **IPDNet™** advanced electronic catalog & e-commerce system is available to qualified customers
- **A quality driven and growing product line** includes the most up-to-date parts available in the aftermarket

IPD INNOVATION

- Many IPD products protected by **assigned and pending IPD patents**
- IPD designed **Grooved Connecting Rod Bearings** help reduce cavitation and extend bearing life
- IPD designed **Crevice Seal Style Liners** help reduce cylinder liner movement and extend o-ring life
- IPD was one of the first aftermarket companies to offer **Induction Hardened Cylinder Liners**
- You Have A Choice...OE style or the popular and **innovative IPDStyle 1-2-3™ gasket sets** with everything you need to complete an overhaul, all consolidated into one part number/box

IPD SUPPORT

- IPD Regional Managers have **decades of experience**, and can help you to build your business success with IPD parts
- **IPD handles warranty issues quickly and efficiently** (on-line IPD Warranty Submission System available to IPD Customers)
- **IPD's Technical Support** available on-line, and staffed by some of the most knowledgeable technical experts in our industry
- Product Development is an IPD core competency, and IPD parts have proven to support IPD's customer efforts to **lower the overall cost of operation** for equipment owners
- **High Quality Packaging** assures our product arrives safely and promotes IPD's quality mission

IPD offers a wide range of high quality components for the following on & off-highway, diesel & spark-ignited gas engines:

- **Cat™ C-series (7/9/10/12/13/15/18/27/32) and 300/3000/3100/3200/3300/3400/3500/3600 series**
- **Cummins™ ISX/QSX and K19 series (including KT/KTA/KTTA models)**
- **Waukesha™ VHP series (including 7042/7044 models)**
- **Volvo™ D12 series (including A/B/C/D models)**
