

INTRODUCING IPD'S REBUILD KIT FOR THE CUMMINS® X15

THE NEW X15 ENGINE KITS PROVIDES THE SAME QUALITY YOU'VE COME TO EXPECT WITH OUR ISX15 ENGINE KITS

Revitalize your Cummins X15 engine with the IPD Engine Kit, a comprehensive package of high-quality components designed to deliver exceptional performance and reliability. IPD, a trusted name in aftermarket parts, offers a cost-effective alternative to OE parts without compromising on quality. With our in-house engineering team and state-of-the-art manufacturing process, we bring you a solution that exceeds your expectations.

IPD's in-frame X15 kit offers everything you need for your engine rebuild:

- **2-Piece Forged Friction-Welded Steel Pistons** ensure durability and enhanced performance. The high-performance piston is coated with manganese phosphate for superior protection against wear and corrosion.
- **Unique Pin Bore Profile** - The IPD engineering team has developed a unique pin bore profile for optimal pin joint performance. This innovation ensures a perfect fit and enhances the overall efficiency of your engine.
- **Graphite Skirt Coating** - We apply an additional graphite coating around the piston skirt to minimize friction and maximize engine efficiency. This thoughtful addition further contributes to the longevity of your engine. Plus additional coating on top steel ring.
- **Cast Iron Liner with APR** - An anti-polish ring (APR) liner offers additional protection against carbon buildup to keep that liner clean.

Components Included:

- Piston Kit (Forged Friction-Welded Steel)
- Liner Kit (Cast Iron)
- Main and Con Rod Bearings
- Upper Gasket Set
- Oil Pan Gasket
- The necessary components for engine rebuild including o-rings, seals
- Lower gasket set kit (5406188) is available separately to make an out-of-frame kit

KIF5828/87	KIF5829/87	Item Number	Item Description
6		5405828	PISTON KIT
	6	5405829	PISTON KIT
6	6	5472970	LINER KIT, 150MM APR
6	6	2882087	CON ROD BEARING, STD, FRACTURED CON. RODS
1	1	3800298	SET, MAIN BEARING, STD
1	1	5406187	GASKET SET, UPPER
1	1	4318947	REGULATOR
1	1	4026684	GASKET, OIL PAN
1	1	4357177	PRESSURE RELIEF VALVE
1	1	3678756	SEAL, O-RING, OIL PICKUP TUBE
1	1	3684336	GASKET THERMOSTAT HOUSING
4	4	3689587	STUD, TURBO CHARGER MOUNTING
4	4	4298975	NUT, TURBO CHARGER MOUNTING
1	1	5406188	GASKET SET, LOWER (sold separately)

UNLOCK THE POWER OF PERFORMANCE AND VALUE WITH IPD ENGINE KITS FOR CUMMINS X15

BENEFITS OF IPD ENGINE KIT

- **Reliable and Cost-Effective** IPD parts are a trusted and cost-effective alternative to OE. You can rely on our components to deliver exceptional performance without breaking the bank.
- **Superior Quality** Our engine kit includes all-new quality parts, specifically engineered and manufactured to meet stringent quality standards. We prioritize reliability and longevity to provide you with a durable solution.
- **Protective Packaging** Each component of the IPD Engine Kit is meticulously packaged to ensure safe delivery. Our protective packaging safeguards the parts from damage during transit, ensuring that they reach you in pristine condition.
- **Easy-to-Read Labels** We understand the importance of clear instructions. Our easy-to-read labels make it simple to identify and locate the required components during installation, streamlining the rebuild process.

Don't compromise on quality when it comes to your Cummins X15 engine rebuild. Choose the IPD Engine Kit and experience the perfect blend of reliability, affordability, and performance.

IPD Products for On-Highway Engines	
Caterpillar	3116, 3126, 3208, 3306, 3406, C7, C9, C10, C12, C13, C15
Cummins	ISX, ISX15 and X15
Detroit	60 Series and DD13, DD15

Check with your IPD regional sales manager or customer service representative for our latest offerings or visit IPDNet at store.ipdparts.com or in Europe at eurostore.ipdpart.com

Reliability backed by IPD's Industry-Leading Warranty

All IPD quality parts for the Cummins X15 are backed by an industry-leading 2-year warranty (unlimited miles) for on-highway diesel applications.
