The Standard for Quality, Innovation, Service and Support Since 1955

SAVINGS WITHOUT RISK

Reliable high quality parts that help **minimize downtime** and **reduce operating costs**

IPD is the leading aftermarket supplier of quality repair & replacement parts for power generating engines. IPD parts have been selected by demanding power generation facilities for many decades, and have proven to provide **reliable performance**, and savings that help **reduce operating costs**.

Quality Engineering & Manufacturing

- IPD parts specifications based on the latest OE designs
- IPD processes ensure consistent quality, from complex metallurgies to technically difficult and precise specifications
- Precision machining and IPD exclusive patents and patents pending help IPD to manufacture the best parts in the aftermarket
- Premium quality product features, such as heat treating, induction hardening, and specialty coatings
- Gasket materials that are designed for heavy-duty usage
- IPD is ISO9001-2008 quality process certified by Lloyd's Register

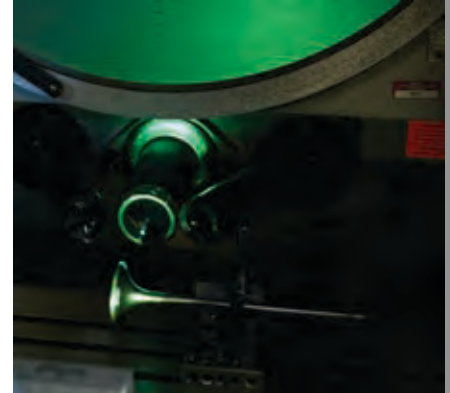

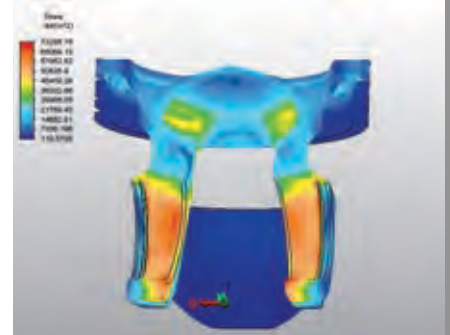

Technical Expertise

- IPD offers technical support that is unsurpassed in the aftermarket (on-line technical support, exclusive on-line catalog, technical series videos and bulletins, expert technical and applications staff)
- Worldwide network of knowledgeable distribution and customer service staff (frequent contributors on technical media articles)

Warranty

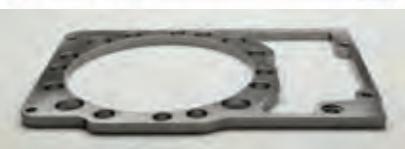

- Industry leading warranty of 2 years / unlimited hours for spark-ignited gas applications (most engine components, contact IPD for exclusions), or 1 year / 3,600 hours for diesel applications

Power generation facilities worldwide have relied upon IPD engine parts to provide cost effective OE-level reliability/quality/durability, and to help minimize downtime and improve operations efficiency.

IPD PRODUCT AVAILABILITY

Engine	Cyl. Kit Parts	Engine Bearings	OEM Style Gasket Sets	IPD Style Gasket Sets	Valve Train Parts	Water Pump and/or Repair Parts	Oil Coolers & Pump Repair Parts	Fuel Injector or Nozzle	Misc. Fuel System Parts	Crankshaft and/or Camshaft

IPD provides a wide range of quality/precision-engineered engine repair parts for the power generation industry

- Cylinder kits (piston & liner assemblies) and components
 - Pistons, rings, pins, retainers
 - Induction-hardened cylinder liners
- Standard and oversize engine bearings, bushings, thrust plates
- Valvetrain (valves, seats, springs, guides, locks, lifters, rotocoils)
- Cooling and lubrication system components (oil coolers, water pumps, pump overhaul/rebuilt kits and components, regulators)
- Miscellaneous components (crankshafts/camshafts, cylinder block repair sleeves, spacer plates, and more)
- OE style and **IPDStyle 1-2-3™** comprehensive gaskets and sets
